To Whom It May Concern:

SickKids Foundation is extremely pleased to recommend to you an exciting opportunity to support The Hospital for Sick Children (SickKids) through the Mito March For Kirkland. The Mito March For Kirkland is a community event that supports Mitochondrial Disease research at SickKids, and features members of the Georgetown community and other mito families coming together and raising pledges for a 5km walk.

Because of the support SickKids receives from the Mito March for Kirkland and community events like it, important advances have been made in child health research, new life-saving medical equipment has been purchased for our clinics and operating rooms, and our young patients continue to receive the best care that science, technology, and compassion have to offer – here in Toronto and around the world.

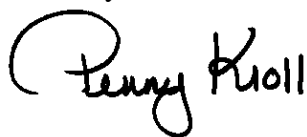

In order to ensure success, the Mito March For Kirkland requires support from companies, organizations, and individuals who share their vision and hope for improved child health. It is my hope that you will consider supporting this event. Your commitment will not only ensure that the ride is a fundraising success, it will also make a real difference in the lives of children today and for generations to come.

Please direct all donations to:

Robin Ginocchi
905 455 8172
4 Drinkwater Road
Brampton, ON L6Y 4T6
robiginocchi@mitomarch.ca

Thank you for your generosity, and for supporting SickKids' vision: Healthier children. A better world.

Sincerely,

Penny Kroll
